48(1) **[Application of paragraph]** The following applies where a Creditor re-values his Security at a time when a Dividend has been declared.

48(2) **[Reduction in unsecured claim]** If the re-valuation results in a reduction of his unsecured claim ranking for Dividend, the Creditor shall, as soon as practicable, repay to the Supervisor any amount received by him as Dividend in excess of that to which he would be entitled having regard to the re-valuation of the Security.

48(3) **[Increase of unsecured claim]** If the re-valuation results in an increase of his unsecured claim, the Creditor is entitled to receive from the Supervisor, out of any money for the time being available for the payment of a further Dividend, before any such Dividend is paid, any Dividend or Dividends which he has failed to receive, having regard to the re-valuation of the Security. - 53(4) **[Surplus after payment]** Any surplus remaining after the payment of the Preferential and other Debts shall first be applied in paying interest on those Debts in respect of the periods during which they have been outstanding since the commencement of the Arrangement (for this purpose interest on Preferential Debts ranks equally with interest on Debts other than Preferential Debts) and thereafter returned to the Debtor.
- 53(5) **[Interest rate on surplus]** The rate of interest payable under Sub-paragraph (4) in respect of any Debt is whichever is the greater of the following:-
